

# How to Take Questionnaires on CHADIS

1. Go to the CHADIS website and click 'Login' in the top right corner:  
<https://www.site.chadis.com/>

2. Log in to CHADIS using your login information that you printed when you first registered for CHADIS.

### Log In

Show

Passwords must contain 8 or more letters and numbers. For example, mySecret01.

Log In

3. Click 'Go' next to the child you are taking questionnaires for:

## Choose a Child/Patient

Below is a list of Children/Patients who are assigned to you in CHADIS.

Please press "Go" next to the name for which you want to take questionnaires or complete some other activity.

My Children			
<a href="#" style="border: 1px solid red; border-radius: 50%; padding: 2px;">Go</a>	<a href="#">Baby Test</a>	1/1/21	<a href="#">Remove Patient</a>
<a href="#">Go</a>	<a href="#">Brother Test</a>	1/1/21	<a href="#">Remove Patient</a>

Other Options	
<a href="#">Go</a>	<a href="#">Add another child/patient</a>
<a href="#">Go</a>	<a href="#">Enter an invitation code you have received for another child/patient</a>
<a href="#">Go</a>	<a href="#">Changed or moved to a new doctor's office?</a>

4. Click 'Begin' to begin the first questionnaire.

### Questionnaires for *Baby Test*

Please press "Begin" to start any questionnaire. NOTE: You must hit SEND at the end of each questionnaire to complete it.

[Why am I being asked to complete these questionnaires?](#)

Questionnaire results may not be reviewed until the appointment. If you are experiencing an urgent problem, please call 911 or go to the emergency room.

#### Ages & Stages Questionnaires®, Third Edition (ASQ®-3): 8 months
